ARE YOU AN INFORMED VOTER? DO YOU KNOW...

- How many convicted felons George W. Bush has appointed to office?
- How many international treaties the Bush administration has broken?
- How many environmentally vital, life protecting regulations have been eliminated by George Bush?
- How many members of the Bush administration have been employed by companies who are making a fortune because of the Iraq invasion?
- What PNAC is and which of its members are in charge of the foreign policy of your country?
- That Dick Cheney used Iraqi oil maps to plan his energy policy during secret meetings in 4/01?
- How many people have been detained in the US without being charged with any crime and without access to legal assistance?
- How many lawsuits Dick Cheney has been involved in during the past 3 years?
- How many investigations for serious felonies the White House is involved in?
- That huge funds and resources for the war on terror were diverted to the invasion of Iraq?
- That, despite the growing deficit, the failed war in Iraq will cost taxpayers 100s of \$billions of more?
- That George Bush has isolated the US from the global community?
- How many people in this county are unemployed who were working prior to the Bush presidency?
- That the Medicare bill was passed through Congress by a person who quit after the bill passed to work for a company that will make money representing the pharmaceutical industry?
- That the new Medicare bill does not permit price negotiation for prescription drugs?
- How the Bush tax cuts have resulted in increased local taxes and reduced public services like education, fire departments, parks, police, healthcare, highway development, and other needed services?
- That for 12 weeks George Bush totally ignored the criminal exposure of a CIA operative by someone in the White House? This is a potential felony that endangered many CIA agents' lives.
- That the US Constitution is being systematically replaced by the Bible as the guiding document to determine legislation in this country?
- That at least FOUR Supreme Court Justices will be appointed by the next sitting President?
- That George Bush has failed at virtually every level of leadership from the moment he assumed office?

Voting without understanding the issues is like jumping out of an airplane without reading the instructions on your parachute. The ground is approaching fast, start reading.....!
